# Three Skeleton Key Activity
Identifying Setting Details and Creating Plot Chart

Setting:
- ✪ In your copy of the story, highlight sections which describe the lighthouse or the area surrounding it.
- ✪ In the center of your paper, draw the lighthouse as described in the story.
- ✪ Use details from the story to help make your illustration accurate.
- ✪ In your picture, indicate which details you used from the story. (Use arrows, a short description, and page numbers).

climax/turning point

rising action

falling action

exposition

resolution

Plot:
- ✪ Use your picture of the lighthouse as a plot chart. The left side is rising action, the tower's peak is climax, the right side is falling action.
- ✪ Fill in the parts of plot chart (exposition, protagonist, antagonist, conflict, 3 events of rising action, climax/turning point, falling action and resolution).
